

PUBLIC HEALTH NURSING

Jefferson County Public Health Service is recruiting for a full-time Registered Nurse to be the onsite coordinator of the Public Health Corps grant and conduct day to day tasks in the communicable disease and immunization programs.

The New York State Public Health Corps' mission is to build public health capacity to support current COVID-19 vaccination operations and preparedness for future public health emergencies. The Coordinator will lead a peer group of fellows to satisfy program responsibilities including required training.

Position Qualifications:

Candidates must possess a NYS Nursing License with a B.S.N. Starting salary \$27.23/hr. and excellent fringe benefits. Candidates can apply to Jefferson County Human Resources, 175 Arsenal St. Watertown, NY 13601, or online at: <https://jefferson-portal.mycivilservice.com/>.
